

Correlation of Phenotype Definitions for EBV

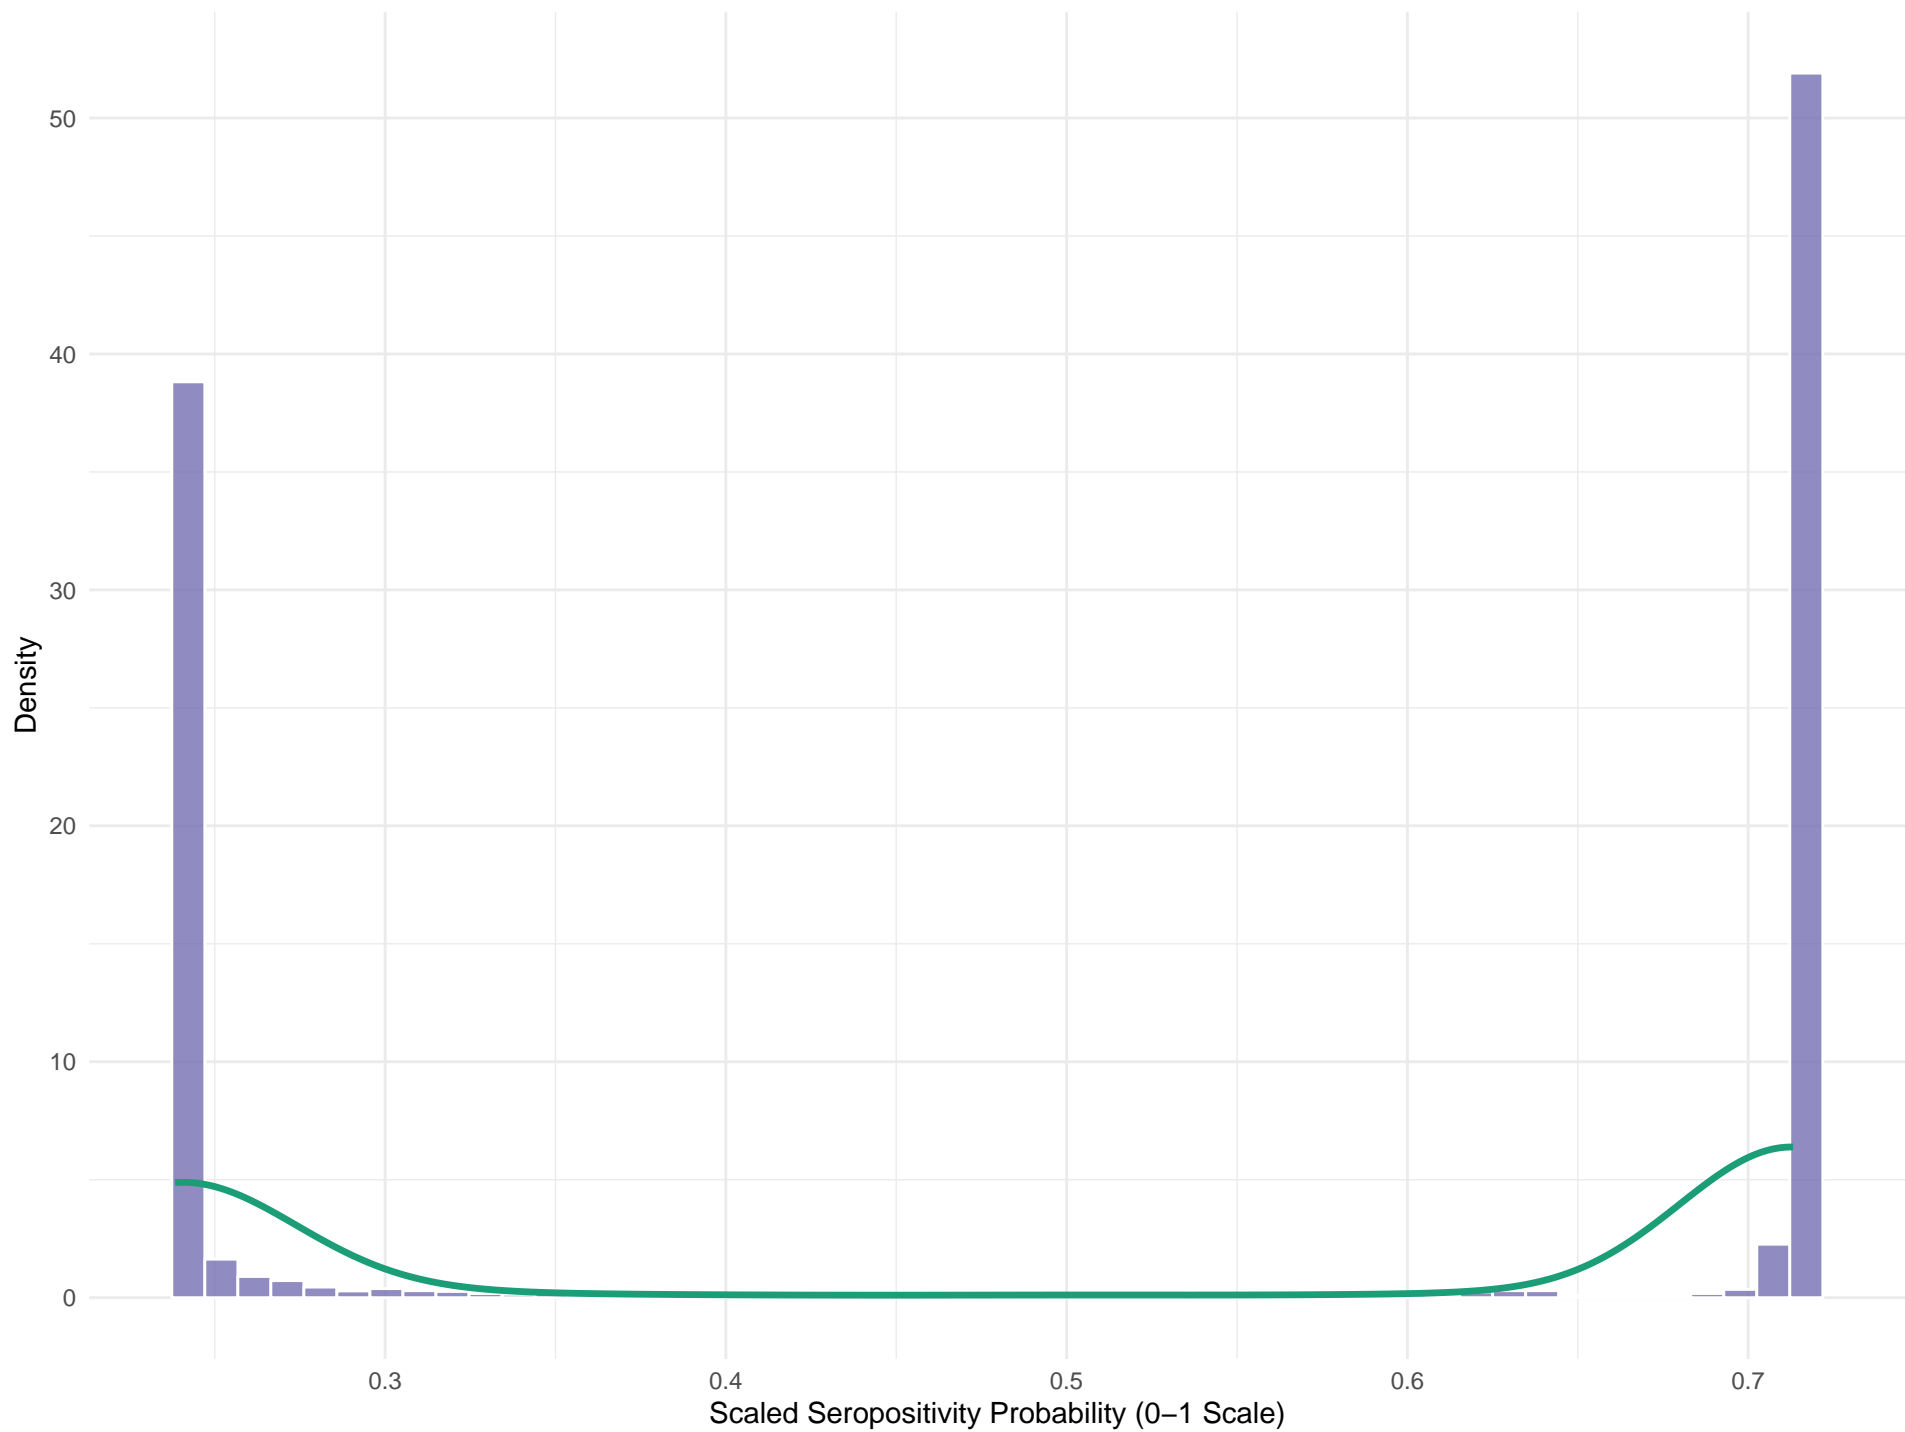

Distribution of Scaled Seropositivity Probability for EBV
Standardized scores transformed to a 0–1 scale using the logistic function

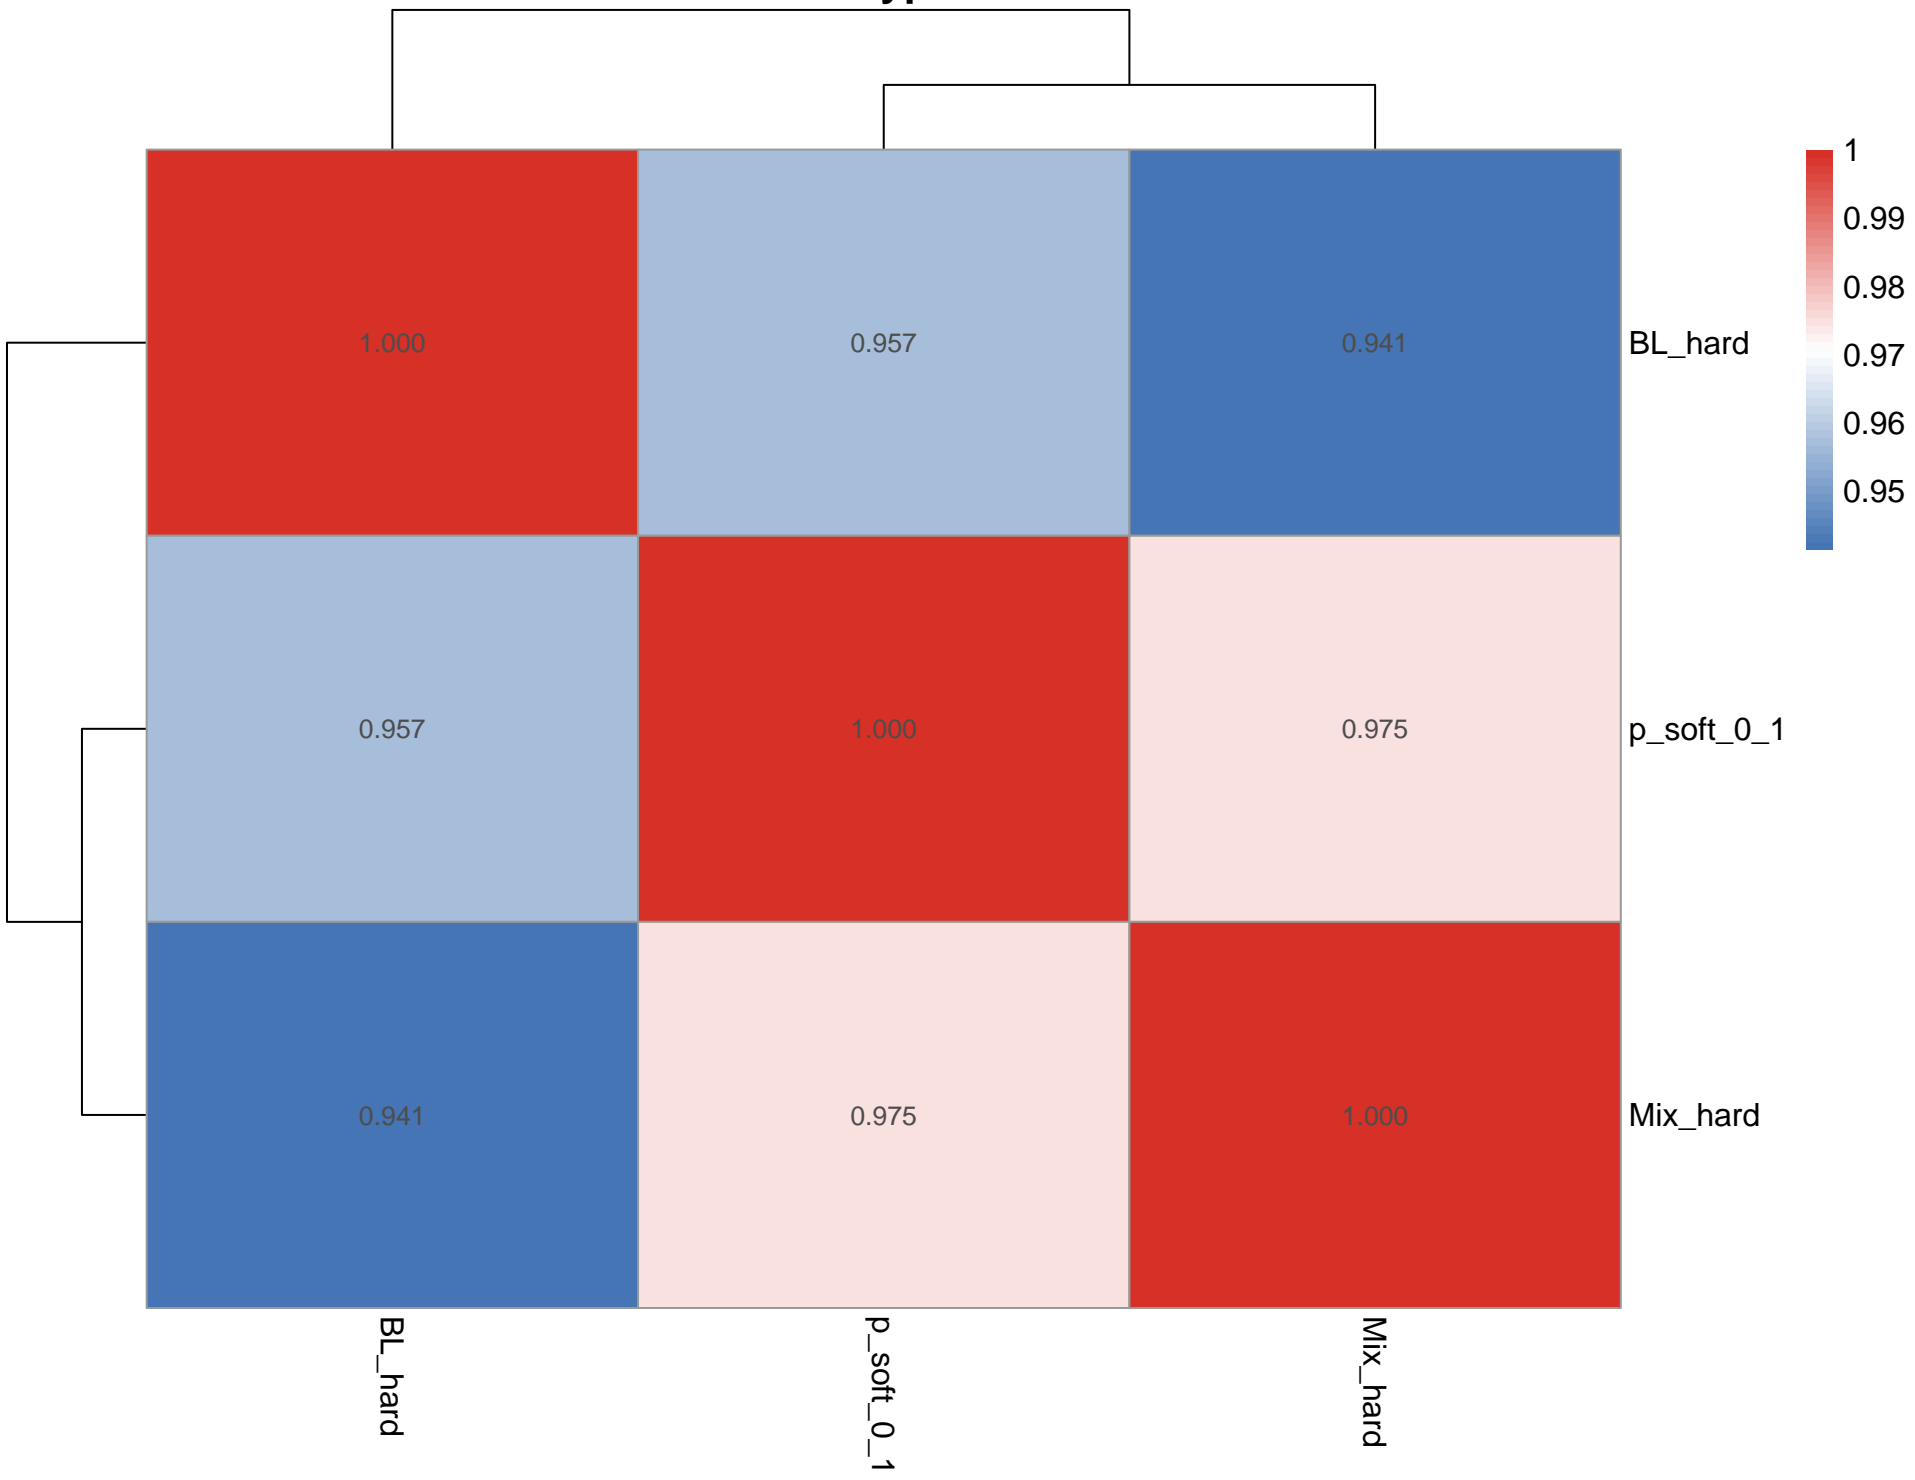

Correlation of Phenotype Definitions for CMV

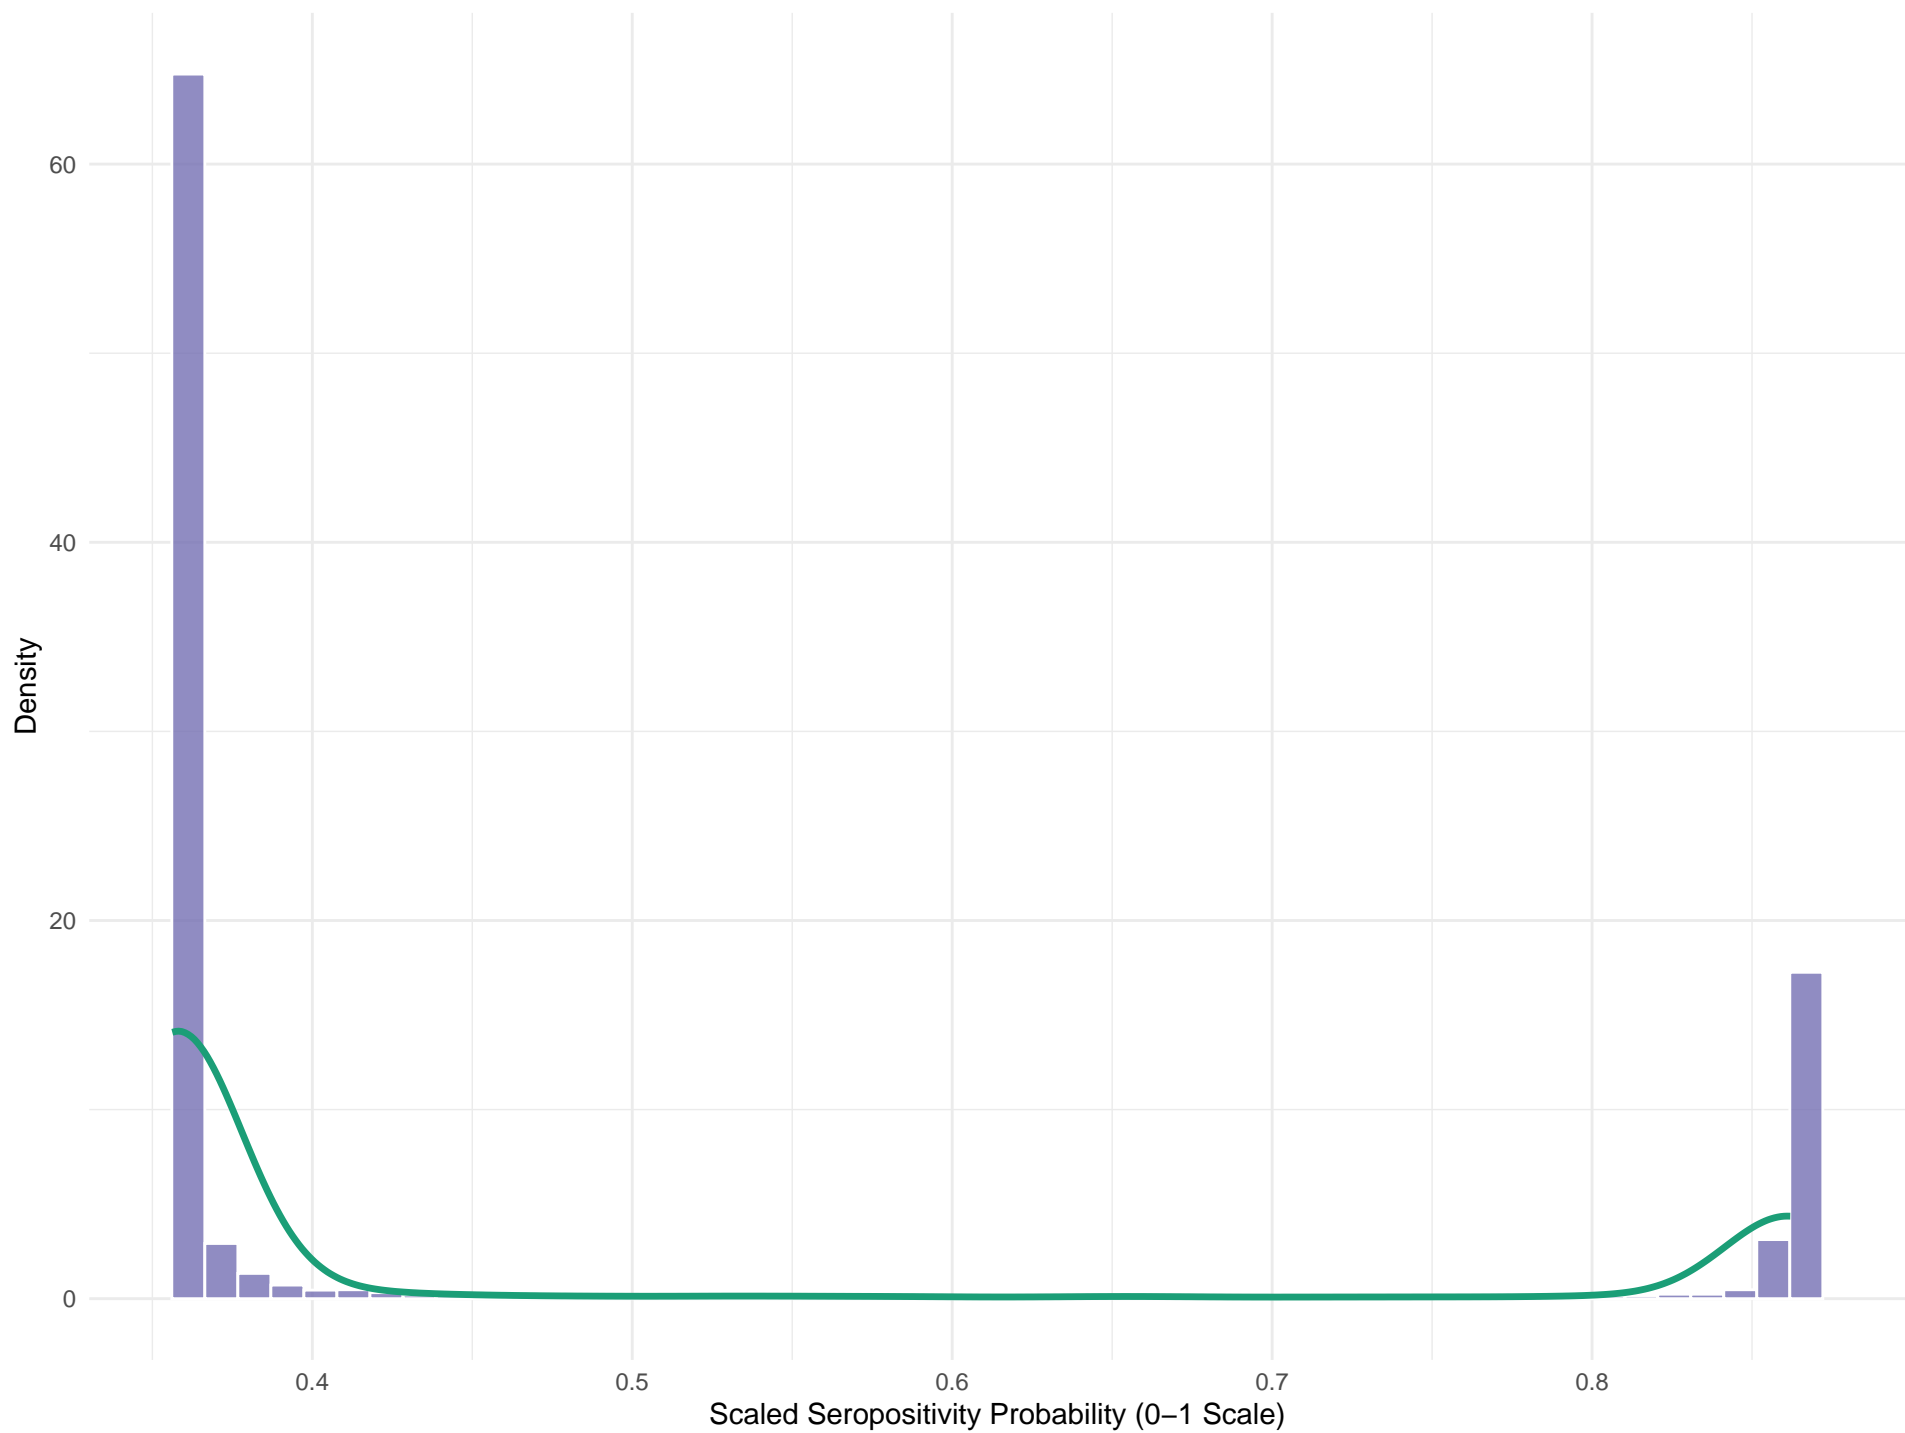

Distribution of Scaled Seropositivity Probability for CMV
Standardized scores transformed to a 0–1 scale using the logistic function

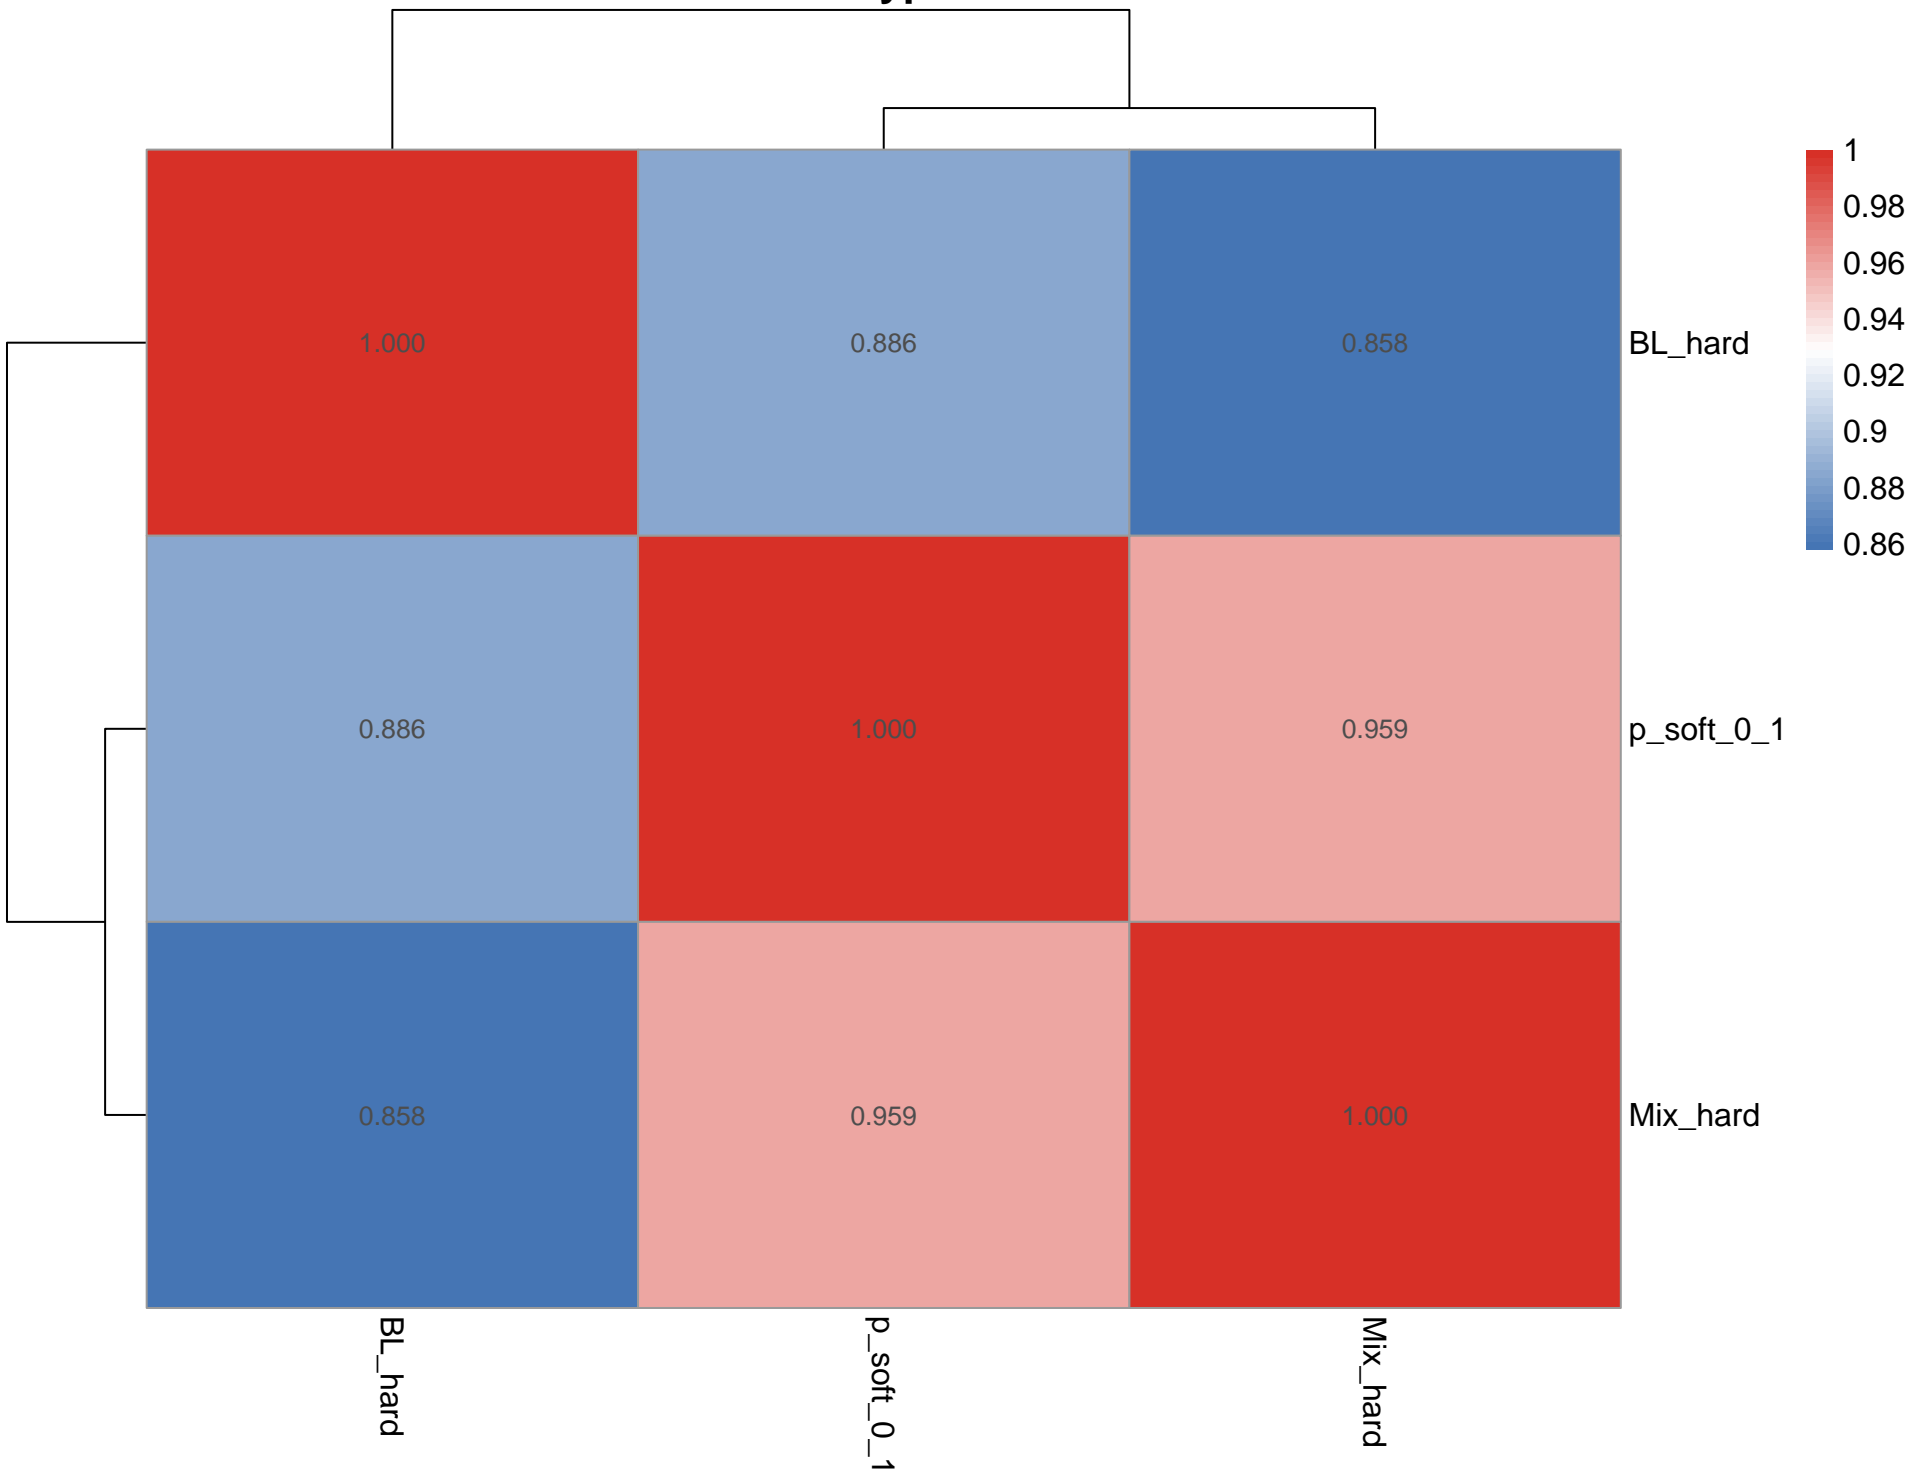

Correlation of Phenotype Definitions for CT

Distribution of Scaled Seropositivity Probability for CT
Standardized scores transformed to a 0–1 scale using the logistic function

Correlation of Phenotype Definitions for HP

Distribution of Scaled Seropositivity Probability for HP
Standardized scores transformed to a 0–1 scale using the logistic function
